BOY MISSING. Richard Moseley, 15. Disappears from Home of Guardian.

Richard, G., the 15 year old adopted son of Samuel Moseley, bas disupeared. The boy and his guardian lave been boarding at the home of Albert Perkins at Perkins Corners. The lad Perkins at Perkins' Corners. The lad had come confroversy with his guardian last week, and it is believed that he did not like the reprimand, and Friday evening left the house. When he left he took a small bundle of his belongings wrapped up in a newspaper. The Perkins family did not think anything of his leaving the house. When he did not return, the guardian and family became anxious. It is said that the boy was seen in this city on Sunday. He had been attending the Model school on Windham street in this city, and he with a number of his schoolmates, it is said, had planned to hike out for the west. The toy told the stary here, it is stated, that he had the stary here, it is stated, that he had an uncle living out west. Mr. Moselev is authority for the statement that is authority for the statement that there is no such relative. The lad is not over-fond of attending school, and it is believed that he has the lure of the west in his blood and has started for that section of the country. The police have been notified, but to date have been unable to find any trace of the missing lad. It is understood that he had \$9 in money with him when he disappeared and that he was dresshe disappeared and that he was dress-ed in a light suit of clothes, black ov-ercoat, a pair of arctics, and wore a light colored hat without a band.
